VITICULTURE
Grapes from a single vineyard plot at 270m, around 30 years old.

VINIFICATION
Fermentation with the whole bunch in a small stainless steel press with foot treading. Pressing at the end of alcoholic fermentation. Aged for 10 months in barrels.

TASTING NOTE
Intense ruby colour, the aroma shows aromas of black fruit with balsamic and resinous notes. In the background, the complexity of spices from the barrel ageing. Firm but enveloping tannins emphasise the depth of the blend. Ageing in the bottle has softened it and made it even more complex and captivating.
