VITICULTURE

Grapes are sourced from various plots on the estate at altitudes of between 140 and 440 meters and different exposures. All the grapes are harvested by hand into 12 kg boxes.

VINIFICATION

Vinification from destemmed and lightly crushed grapes, fermented in stainless steel vats with regular pumping over and temperature control for around 7 days; aged in French oak barrels for 6 months.

TASTING NOTES

Ruby color. On the nose, aromas of wild berries with hints of forest, balsamic and spices. On the palate, elegant and harmonious with medium volume and balanced acidity.
